(Tickets may be purchased in advance: <https://goo.gl/ugQ9yT> or on the day of the event at the box office.)

Defining Hope is a story about people weighing what matters most at the fragile junctures in life and the nurses who guide them. It follows eight patients with life-threatening illnesses as they make choices about how they want to live, how much technology they can accept, what they hope for and how that hope evolves when life is threatening. Join us to share in an optimistic perspective which focuses on the meaning of "quality of life".

This screening is made possible thanks to the generous support of:

Please email cstegel@verizon.net with questions.

Watch the trailer, and learn more at www.hope.film

Nurses will receive 1.25 free contact hours for watching the film and completing the evaluation thanks to the generous support of Walden University.

Walden University is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
