Mullahy & Associates' comprehensive, foundational "Best in Class Case Management" two-day workshop facilitates

this critical, integrated model of case management. It is taught by two of the profession's most respected pioneers - Catherine M. Mullahy, RN, BS, CRRN, CCM, and Jeanne Boling, RN, MSN, CRRN, CDMS, CCM. Their dynamic, engaging teaching style has won high acclaim by countless nurses, case managers, and social workers, who also value the workshop's practical information and "how to" strategies for applying "Best in Class" practices in real-life cases.

- Earn 14 hours (7 hours/day) of CE credits for nurses, social workers and case managers
- Receive a **FREE** copy of case management's authoritative reference book, *The Case Manager's Handbook*, Sixth Edition
- Reignite your passion as a dedicated professional, build your knowledge, or gain the encouragement to pursue a career in case management or your CCM credential

"Best in Class Case Management" with Catherine M. Mullahy

"Totally awesome conference! An honor to learn from such distinguished experts in the field! Look forward to more conferences and greater learning!"

- Melissa Neuman, RN

"The Best in Class Case Management seminar will improve my work as a CM, decrease cost; this seminar will help me prepare for my CCM certification."

- Chulee Traisak, RN, BSN, CCRN

"I enjoyed this seminar. I'm not a CM. I came to check out about CM as a job - so this definitely met my need. The hospital thought I may find ways to secure revenue - this was also met."

- Elizabeth Groomes-LaRoque, RN
