

From Screening to Treatment: The Clinician's Role in Eliminating Hepatitis C in New York State

This half-day program will focus on hepatitis C (HCV) epidemiology on a national, state, and local level and the NYS guideline for HCV screening, diagnosis, and treatment selection. Through didactic sessions and case-based discussions, we'll explore treatment selection and discuss challenges associated with HCV care and treatment. This program is intended for providers new to HCV.

Saturday, May 5th, 2018

8:00am – 12:00pm

Holiday Inn

232 Broadway

Saratoga Springs, NY
